01 GREETING

Welcome

to the World KIN-BALL® Sport family

World KIN-BALL Families, Welcome to the World Cup & International Open

We went through a lot of hardships through the last pandemic and we overcame it with our passion and love for the KIN-BALL Sport. We are happy to see each other again in Korea in good health.

KIN-BALL Korea has been established as a school sports for the past 10 years and is facing an opportunity to grow one step further.

Taking this World Cup and International Open as a starting point, we are starting the nationalization and globalization of KIN-BALL Korea.

At the same time, Korea will lead the prosperity and harmony of KIN-BALL sports in World. We look forward to the World Cup & International Open for exchange and harmony that goes beyond politics, culture and diplomacy with the team sports spirit of cooperation, respect and consideration.

Thank you for your visit Korea
